Water Polo Guidelines

The following policies and standards will be in place for water polo officials during the 2010 season.

- Officials are encouraged to be at the game site thirty minutes prior to the game. The officials' jurisdiction begins fifteen minutes prior to game time. Officials should notify the home game management upon arrival. If delayed, the official shall contact the school. Parking is the responsibility of the officials. Officials shall contact each other prior to the match to discuss game time, location, and travel arrangements.
- OFFICIALS shall prepare physically and mentally, dress neatly and appropriately (per Federation rules), and comport themselves in a matter consistent with the high standards of the profession. Uniforms shall be clean and in good condition; caps new or nearly new; shoes clean, shined, and in good condition. Jewelry shall not be worn except for religious or medical medals, wedding rings, and wrist watches for those officials required to perform timing duties. The referee is responsible for conducting a pre-game conference.
- If invited by the referee, authorized visitors in the dressing facility may be timers, scorekeepers, Athletic Directors, coaches, Assigner, and/or observers. Coaches should not enter the dressing area following the game. No official shall assign themselves to a match unless for SJAF approved training.
- In the event of an illness, injury or circumstances preventing an official from carrying out an assignment, the official is responsible for immediately notifying Chuck McCollum.
- The use of alcoholic beverages and/or controlled substances prior to the contest is not acceptable. Officials are reminded that CIF schools are tobacco free (smoking and chewing).
- No changes of any assignment unless cleared by JSS personnel. If there are any concerns in scheduling, please contact Chuck McCollum. SCHOOLS - All changes in assignment - date, time, place, must be on arbitersports.com. If changes cannot be made on arbiter because the deadline has passed, it must be in writing (email) to Chuck McCollum. Officials are reminded that their work may be observed by an Assigner, JSS staff, and SJAF observers.
- Officials who are late to SJAF assignments or are a no show for a contest will be referred to the SJAF Group Leader.
- Follow CIF/National Federation procedures regarding all rules. If there is a forfeit, please notify Chuck McCollum. Any unusual circumstances involving sportsmanship, conduct of coaches, officials, players, fans or any safety issues, contact Chuck McCollum/Jim Jorgensen. It is the responsibility of the official who DQ/ejected (or any unusual activity/concern) a player/coach to telephone Chuck McCollum or Jim Jorgensen and leave a voice message and prepare a written report.
- Officials shall not converse with fans from the beginning of their jurisdiction until they leave the game site. Officials and coaches should not provide information concerning future opponents; engage in conversations with media representatives regarding calls, rulings, etc. Official should not place their hands upon players, coaches, or spectator. Athletic Directors may not honor requests for game passes from officials.
- Officials are independent contractors and payment to the officials will be on RefPay *October 13 and November 16*. Post-season assignments will be made at the end of the season.
- If coaches and Athletic Directors have a complaint, please contact Chuck McCollum/Jim Jorgensen. Criticizing in the media or press or berating an official shows poor sportsmanship and is against CIF policies.

Jorgensen Sports Service and the SJAF appreciate your cooperation with the above guidelines.
